**Wallo's Auto Service, LLC**

Wallo's Auto Service, LLC continues to run as a family-owned since 1979 when it was purchased by Floyd Wallo. In 2006, David became the sole owner of the business and continues to operate the business as owner and mechanic with the help of his son Chad, who works as a mechanic also, and his wife, Rebecca, who is the office administrator. All three generations of families reside in Howards Grove.

David and Chad take pride in the work they do for customers with honesty, hard work and that hometown feel. Their goal is to provide custom satisfaction to all customers. They can often be seen chatting with their customers in the office are grateful to have served this community for so many years.

Wallo's Auto works on all models and makes of cars. Sometimes you will even see a tractor, lawn mower, caper or trailer getting worked on in the shop. They do general maintenance of all vehicles such as tune ups and repairs, brake jobs, oil changes, batteries, exhaust, AC, tries and so much more! Diagnostic work is performed using updated scanner data.

Hours of operation are Monday – Friday from 7:00am to 5:00pm. They can be reached at 920-565-3123.

# NOTE FROM THE VILLAGE PRESIDENT

The summer went too fast! So much has happened. The Howards Grove Athletic Association hosted a spectacular Fireworks show, the Millersville Recreation Association brought the parade back into Howards Grove (and an awesome one at that!) The HG Riverdogs won the league Championship (Congratulations on your victory!), and so much more.

The Village Board is in the process of working on the budget for 2026. I have heard residents wondering about this. We have open meetings on the budget that are open to the public. I encourage you to attend these meetings so you can be informed. We will be working on approving the budget either in

November or December.

Carl Toepel with the help of Jim Schieber and Jeff Plass (both past presidents of the Village Board) have created a small historical corner in the Village Hall. I encourage everyone to stop in and take a look at some of the history that our Village has.

Fall is here and soon winter. The DPW has already started leaf pick-up throughout the Village. Please have patience for pick-up in your area. The crew does have other projects to take care of besides concentrating on just leaves. With winter coming, please remember that the winter parking rules start December 1st and run through April 1st. The Sheboygan County Sheriff's Department will be enforcing this ordinance with citations being issued to violators. Once again, a reminder that the Village ordinance for ATV's and UTV's stated that they are not allowed on the roads within the village. There are signs at the village limits showing this.

With the holidays rapidly approaching, I would like to send out on behalf of the Village Board and our staff a Happy Thanksgiving, a Merry Christmas and a prosperous New Year.

Dale Wuestenhagen,  
Howards Grove Village President

## LIONS CLUB NEWS

The Howard's Grove Lions are vision screening students at Howard's Grove Elementary School, St Paul's Lutheran School and at a local daycare this November.

We give out two \$1,000.00 scholarships to two graduating seniors in June every year.

We are having a meat raffle at Butch and Anne's on Dec 7, 2025 starting at 1:00pm.

Thanks to all the people that support our three brat fry's every year.

Anyone interested in joining the Howard's Grove Lions, please contact John Stephen 920-946-8060.

# VFW & AMERICAN LEGION NEWS

Greetings from your local veterans' organizations—Howards Grove VFW Post 9924 and Franklin American Legion Post 387.

## **Thank You for Supporting Our Brat Frys**

We extend our heartfelt thanks to everyone who supported our spring and fall brat fry's this year. Held at Tietz's Piggly Wiggly, these events were a tremendous success. Thanks to your generosity, all proceeds went directly to support veteran programs and

local scholarship initiatives. We'd also like to thank everyone who contributed to the American Legion Auxiliary Bake Sale—your support makes a difference!

**Memorial Day Service & Community Support** It was especially rewarding for our veterans to see such a strong turnout at this year's Memorial Day Service, held at the Howards Grove High School auditorium. Our featured speaker, Mr. Derek Suhukow, gave a meaningful and inspiring address. The community support carried through to the Howards Grove Lions Club brat fry at Memorial Park following the ceremony. We hope to see everyone again at next year's Memorial Day service on **May 25th, 2026**.

**Flag Retirement Box Reminder** We also want to remind the community that the flag retirement box at the Howards Grove Piggly Wiggly remains available year-round. This is a respectful way to retire worn or damaged American flags.

**Annual Charity Fundraiser Honors Ceremony** On Saturday, September 6th, Howards Grove VFW Post 9924 and Franklin American Legion Post 387 conducted an honors ceremony during an annual fundraiser hosted at the home of Tim and Sara Feldmann. This special event, organized by Justin and Amanda Boedecker along with the Feldmanns, supported two of their favorite charities. The hosts generously provided food, refreshments and entertainment at no cost to guests—donations are simply encouraged.

All proceeds from the event were donated directly to Old Glory Honor Flight and the Make-A-Wish Foundation. Over the past five years, this fundraiser has raised more than \$100,000 in support of these two incredible organizations.

A heartfelt thank you goes out to the Boedeckers, the Feldmanns, and all who attended for their continued generosity and support.

**Looking Ahead** We look forward to serving you and our community at future events throughout the coming year.

Wishing everyone a joyful, healthy holiday season and a Happy New Year!

**Who We Are** We are the VFW—Veterans of Foreign Wars—and the American Legion. We are proud to have served our nation and to continue protecting the rights and freedoms we all cherish.

## Winter Parking Restrictions

From **December 1st until April 1st**, there is **NO PARKING** on any Village Street between the hours of 2:00am and 7:00am. **This restriction is in effect regardless of the weather or temperature.** Be sure to let your late night/overnight guests know about the parking restrictions. Violators are subject to a \$100 citation. If the citation is paid within 7 days, the fine is reduced to \$25. If an emergency circumstance prevents you from moving a vehicle, please call the Sheboygan County Sheriff Department at 920-459-3111.

## 2025 Tax Collection

The 2025 Property Tax bills will have a new look this year. Instead of the highly customized bill you received in the past, you will now receive an 8 ½ X 11 sheet with a tear off stub at the very top. Please return the stub along with your payment to ensure your payment is applied correctly. If you have any questions, please contact us at 920-234-0304, and we will be happy to assist you.

First installment tax payments are due Jan. 31, 2026. For accounting reasons, we do not accept combined payments for taxes, dog licenses and sewer payments. **They must be paid separately.**

Several options are available for making your tax payment:

- In-person: Stop at the Village Hall Mondays through Thursdays from 8:00am-4:00pm, or Fridays from 8:00am-12:00pm. You will receive a receipt at the time of your payment. We will **not accept cash** payments at the Village Hall. All cash payments will need to be made at Cleveland State Bank.
- 2nd option: Pay your taxes at Cleveland State Bank, Howards Grove or Elkhart Lake branches. Make your payment during regular bank hours.
- After Hours: Drop your payment in our secure “Envelope Depository” slot (to the left of the Village Hall front door). If you would like a receipt, include a self-addressed, stamped envelope.
- By Mail: Send your payment to Village of Howards Grove, 913 S. Wisconsin Drive, Howards Grove, WI 53083. If you would like a receipt, include a self-addressed, stamped envelope.
- Bill Pay: If you are sending us a check from your bank's Bill Pay, please be sure to include all parcel numbers or bill numbers in the memo so payments are processed correctly.
- By Credit Card: Go to [www.howardsgrovewi.gov](http://www.howardsgrovewi.gov) and click on “Online Payments”. Click the “Click to Pay Now” button and enter PLC #7444, then complete the requested information. The deadline for online payments is January 31st, 2026. There is a fee for this service.

As in past years, the **second installment payments are due by July 31st, 2026, and must be made payable to the Sheboygan County Treasurer's Office**, at the Administration Building, 508 New York Avenue, Sheboygan. Please do not send your second installment checks to the Village Clerk's office.

## Dog Licenses

All dog licenses **expire December 31st, 2025**, regardless of when they were issued. New 2026 licenses will be available by mid-December. **The fee is \$8 for spayed/neutered dogs and \$15 for un-spayed/neutered dogs.** Remember that a current rabies certificate is required to obtain a license. **A late fee of \$20** per dog is charged if dogs are not licensed by **April 1st, 2026**. Failure to obtain a required license is subject to a \$100 citation. If you no longer have a dog that was previously licensed, let the Clerk's office at Village Hall know so that our records can be updated. In addition, if you have recently moved into the Village, the Clerk's office needs rabies information, even if the dog was licensed elsewhere in Wisconsin. Please note the maximum number of dogs and/or cats that a resident may keep at any one property is four (4).

## Christmas Tree Disposal

The Village will recycle non-artificial holiday trees, typically every Tuesday in January. To place your tree for recycling, please remove all decorations from the tree. The Village will be chipping the trees, so all tinsel, lights and decorations **MUST** be removed. Also, do not wrap the tree in plastic. Place your tree curbside after removing all decorations. If you use plastic wrap to help you remove the tree from your home, please remove it before placing it curbside. Artificial trees or live trees with root balls will not be accepted for recycling.

## 2026 Park Shelter Rentals

Shelters are available at both Memorial Park and Riverside Park. Reservations are accepted for dates from May 24th to October 1st (may open later or close earlier due to weather). The fee is \$150 for Village residents and \$200 for Non-Residents. **A refundable deposit of \$65 is included in the rental fee and will be returned via a mailed check upon satisfaction of the rental agreement.** Rental agreements are available on our website or by visiting Village Hall.

**Jan. 1, 2026:** Parks may be reserved online only beginning at midnight on January 1st, 2026, or at 8:00am on January 2nd at Village Hall. Shelters are available on a first-come, first-served basis. No reservations will be made without payment.

To check for date availability, visit our website's calendar at [www.howardsgrove.wi.gov/calendar.aspx](http://www.howardsgrove.wi.gov/calendar.aspx).

# HOWARDS GROVE SCHOOL DISTRICT

THE SCHOOL DISTRICT OF  
HOWARDS GROVE

BUILDING PROJECTS PROGRESS REPORT

Dear Residents:

The School District of Howards Grove is proud to present the New Howards Grove Middle School. We officially opened our doors to students and staff for the 2025-2026 school year. This has been an amazing process to work through and it has totally paid off! After a ribbon cutting ceremony and a couple of community open house events, many of our community members and business partners have seen the new school and have offered rave reviews of the new space. Again, a special thanks to CD Smith Construction and Plunkett Raysich Architects for designing and building an amazing space for our students and staff.

Thanks again to our business partnerships and sponsors including Cleveland State Bank, National Exchange Bank, Kohler Credit Union, and Parker John's. Thanks to the Howards Grove Education Foundation and the Howards Grove PTO.

Without the support of our residents who voted **YES** in November of 2022, none of this could be possible. We are very proud of this amazing school! Thank you again.

## The Old Middle School

After significant work with asbestos abatement, the demolition of the old middle school is finally underway. While the land and building have been listed for sale for quite some time, we have not received any viable offers to purchase the land and/or the building. Once the building is removed and the land is converted to "green space", the School Board will restart the effort to sell the land for future development. Please know, this land is zoned by the Village of Howards Grove as residential. Therefore, without any zoning changes by the Village, this land will remain residential. A handful of residents have asked about the plan for the land and have mentioned apartment buildings or low income housing. Please know, that has not been an option considered by the School Board or the Village Board. The preliminary discussions have been to have a developer design single family homes to bring families into the school district to raise our enrollment and help the tax base in the Village of Howards Grove with additional properties on the tax roll.

## Maintenance Shed

Another topic that has come to our attention is the placement of the new maintenance shed. Please know that the old maintenance shed will be demolished and sold as part of the land described above. The district is committed to ensuring the new maintenance shed is properly maintained and will include hearty landscaping and design to keep our site looking nice.

Welcome to the 2025-2026 School Year  
GO TIGERS!

# LIVING NATIVITY

**St. Paul's Lutheran Church will present its annual Living Nativity from December 5th-7th.** The story of the birth of Jesus comes to life at St. Paul's. You will be welcomed by greeters and Roman guards. As the presentation begins you will see angels, shepherds, wise men, prophets and Mary and Joseph – all of whom are part of the presentation that focuses on the newborn Savior, Jesus. There will be live animals! We also invite you to visit "Bethlehem" in our gymnasium, where you can enjoy snacks and carols of the season while warming up. We also have a beautiful display of nativity scenes from around the world. The presentation runs every 20 minutes on each of the three nights. Friday and Saturday shows run from 6-9 p.m., while Sunday's shows are from 4-7 p.m. Free admission, parking and refreshments are included. A signer for our hearing-impaired friends will be on hand at the 6, 7 and 8 p.m. performances on Saturday, December 6th.

St. Paul's is located at 441 Millersville Ave. in Howards Grove. For further details – go to [stpaulshowardsgrove.org](http://stpaulshowardsgrove.org) or call our office at 920-565-3780.

Each year, The Salvation Army is the local organizer of the Toys for Tots program in Sheboygan County. In cooperation with the United States Marine Corps, gifts are collected for children ages 0-17 and then distributed to families in need. This Christmas season, The Salvation Army expects to see a greater need for our services – more than any in recent history. Your participation as a Toy for Tots collection site is greatly appreciated. The greatest need is for toys for tweens and teens. Attached you will find some gift ideas for these ages as well as a campaign poster. The toys should be new and not wrapped.

To learn more about The Salvation Army and how you can volunteer to sort the toys and shop for the families, visit [www.sasheboygan.org](http://www.sasheboygan.org). Thank you for making Christmas merrier for your neighbors in need!

## ATHLETIC ASSOCIATION NEWS

The Howards Grove Athletic Association hopes everyone has enjoyed some outstanding fall weather. As we move away from the hectic summer schedules, we would like to thank the village and our sponsors for supporting our summer events. Our Little League program had nearly 200 kids playing ball this summer. The Riverdogs enjoyed a successful season while capturing their 4th East Shore League title in 8 years. We also partnered with the Village to put on a wonderful fireworks show which drew a huge crowd on a beautiful summer night.

None of these events would be possible without the superlative efforts of our club members and the support of the village residents and business sponsors. We thank everyone who has coached, umped or watched baseball games this summer. We appreciate the businesses with their sponsorship at Riverdogs' games, sponsoring holes at our golf tourney or advertising at the ballpark. The community support truly enhances our programs.

While our major events for the year are behind us, the planning for our 2026 programs and events is in progress. The next event on our schedule is the sale of the annual Raffle Calendars, which offer 365 chances to win. See any Athletic Club member if you'd like to purchase a calendar.
